Hi Lynn,

Yes I'll try and place a call around 3p today. If for some reason this is not possible due to still researching some outstanding items then a call on Monday is definitely appropriate. I will try and call you at your # this afternoon. Thanks

-Pete

Hi, Pete—I saw your call come in but I'm in meetings and on calls today until 2....

Yes, let's definitely talk!

Today I have a break between meetings from 2-4 if that works for you; just let me know and I'll be sure to be available. I'm also free all day on Monday so far if you'd like to plan for a call then.

Just let me know what day/time works and we'll talk then!

Thanks,
Lynn

Hi Lynn,

I just left you a voicemail re: the Interagency Agreement and some other Area 40 related items. I'm going to be out of the office in the field tomorrow for another site but want to discuss Area 40 items in a call hopefully next week? Talk to you soon. Thanks
